knows the difficulty of keeping old style plumbing fixtures clean and

Even constant drudgery on the part of mistress or maid cannot give the old metallic bath tubs or "closed-in" lavatories that daintiness and charm which is so essential to the modern home.

There is one way out of this trouble—a sure and practical way. Let us install "Standard" plumbing fixtures in your home. They possess the beauty and snowy whiteness of fine china. Their brilliance and lustre can be maintained indefinitely with the minimum amount of labor.

Is your plumbing as good as it should be? If not, let us tell you how to better it.
